**The 3rd Iranian Conference on Computational Geometry (ICCG 2020)**

**February 16, 2020, Tehran, Iran**
http://iccg.aut.ac.ir/

Submission Deadline: November 8, 2019

----------------------------------------------------------

The 3rd Iranian Conference on Computational Geometry (ICCG) will be held on February 16, 2020 at the Department of Mathematics and Computer Science, at Amirkabir University of Technology (Tehran Polytechnic), Tehran, Iran. Like the last two ICCGs, after the ICCG, there will be the Winter School on Computational Geometry, at the same place. ICCG is an annual, international conference whose goal is to bring together students and researchers from academia and industry, in order to promote research in the fields of combinatorial and computational geometry.

**Important dates:**

Submission deadline: November 8, 2019
Acceptance notification: December 22, 2019
Conference: February 16, 2020

**Keynote Speaker:**

David Mount, University of Maryland, USA

**Program committee:**

Mohammad Ali Abam, Sharif University of Technology, Iran
Davood Bakhshesh, University of Bojnord, Iran
Mansoor Davoodi, Institute for Advanced Studies in Basic Sciences, Iran
Marzieh Eskandari, Al-Zahra University, Iran
Mohammad Farshi, Yazd University, Iran (co-chair)
Amin Gheibi, Amirkabir University of Technology, Iran
Xavier Goaoc, Université de Lorraine, France
Anil Maheshwari, Carleton University, Canada
Saeed Mehrabi, Carleton University, Canada
Debajyoti Mondal, University of Saskatchewan, Canada
David Mount, University of Maryland, USA
Mostafa Nouri Baygi, Ferdowsi University of Mashhad, Iran
Martin Nöllenburg, Vienna University of Technology, Austria
Zahed Rahmati, Amirkabir University of Technology, Iran (co-chair)
André van Renssen, The University of Sydney, Australia
Don Sheehy, North Carolina State University, USA

Farnaz Sheikhi, IPM, Iran
Carola Wenk, Tulane University, USA
Alexander Wolff, Universität Würzburg, Germany
Alireza Zarei, Sharif University of Technology, Iran
Hamid Zarrabi-Zadeh, Sharif University of Technology, Iran

**Local Organizer:**

Zahed Rahmati, Amirkabir University of Technology, Iran

**Submission Guidelines:**

ICCG does not have formally reviewed proceedings. The results presented at ICCG could also be submitted to other peer-reviewed conferences and/or journals.
We invite authors to submit their research works as extended abstracts that should not exceed four pages, and must be prepared with LaTeX, using our ICCG LaTeX template (http://iccg.aut.ac.ir/ICCG-2020-LaTeX.zip). The submission must be submitted through EasyChair (https://easychair.org/conferences/?conf=iccg2020)
